Dear Gagan,

Sunder is very hardworking and helpful. He has single handedly managed the complete website of DFCCIL. He is proficient in Java/J2EE development. Whatever issue raised to Sunder, he solved the same and provides feedback all the time. He also helps DFCCIL outsource staff to work independently and upload documents as and when required.

He is also efficient in SQL/My SQL and managed backend database of DFCCIL efficiently. The GUI developed/ designed by him is very user friendly.

He has done a commendable job and I wish him all success.

With warm regards,

Anil Kumar Gupta
